SEWER WORKMAN INJURED.

While working in a sewer ditch Monday morning in the alley on south Second street, O. P. Edmondson, a workman, was seriously injured. While stooping over in the ditch, which was about 12 feet deep, the dirt caved in on him. He was knocked down and his body was nearly enveloped with the dirt, sustaining injuries consisting of a broken collar bone, right shoulder dislocated and his right side badly bruised. Men working near him saw the wall cave in and ran to his assistance, pulling him from under the pile of dirt. Dr. Sawyer, who was passing, conveyed the wounded man to his home on south Second avenue in his car.

This is the first serious accident that has taken place since the sewer work began in this city several months ago. Excessive wet weather is given as the cause of the cave-in.

The important church days this spring occur as follows:

Ash Wednesday and commencement of Lent, February 25.
First Sunday in Lent, March 1.
Annunciation, March 25.
Palm Sunday, April 5.
Easter Sunday, April 12.
Ascension day, April 21.
Whit Sunday, May 31.
Last year Easter Sunday occurred on March 23. In 1912 it occurred April 7.
